

Bagel and Bun Slicer Series - Classic

Key Features:

- Ideal for on-premise slicing of bread products
- Cleanly slices bagels and buns with ease
- Compact, robust design for ease of operation
- Safe and efficient alternative to manual slicing
- Separate On/Off buttons for easy startup/shut down
- Re-designed ergonomic slice height feature allows for fluid adjustment
- Re-designed blade cover includes access point to clean underside of blade, eliminating need to remove blade
- Blade safety guard incorporates automatic power-down feature when removed
- Exclusive gentle-touch exit door slows sliced product delivery, preventing damage to softer product
- Optional return chute saves counter space and creates production system for larger orders
